| Manufacturer Name        | Noxion Avant LEDtube T8 Ultra Output UE (EM/Direct) 1500 22.1W/840 (58W eqv.) with Starter |
| Full box quantity        | 25                                                                                         |
| Any Lamp all-in warranty | 5 Years                                                                                    |
| Energy efficiency class  | B                                                                                          |
| Average Lifetime (h)     | 75000                                                                                      |
| Voltage (V)              | 220-240                                                                                    |

Technical Information

|                             |                 |
|-----------------------------|-----------------|
| Technology                  | LED             |
| Replaces (Watt)             | 58              |
| Wattage                     | 22.1            |
| Dimmable                    | Not Dimmable    |
| Cap / Base                  | G13             |
| Rotatable                   | No              |
| Colour Code                 | 840 Cool White  |
| Colour temperature (Kelvin) | 4000 Cool White |
| Colour Rendering (Ra)       | 80-89           |

|                          |              |
|--------------------------|--------------|
| Colour of Light          | White        |
| Light colour options     | Single Color |
| Luminous Flux (Lumen)    | 4100         |
| Luminous Efficacy (lm/W) | 186          |
| Power factor             | >0.90        |
| Product Type Category    | LED Tube T8  |
| Type of sensor           | No Sensor    |

## Lamp Information

|                       |                                                                       |
|-----------------------|-----------------------------------------------------------------------|
| LED Starter included  | Yes                                                                   |
| Ballast for LED Tubes | Conventional – there is a starter, Mains – Directly connected to 230V |
| LED Tube Output       | Ultra Efficiency                                                      |
| Bulb finish           | Frosted                                                               |
| Operating Temperature | -20 to +45                                                            |
| Housing               | Plastic                                                               |

## Dimensions

|               |       |
|---------------|-------|
| Length        | 150cm |
| Length (mm)   | 1514  |
| Diameter (mm) | 28    |
| Exact shape   | T8    |

## Why Any-lamp?

Order from the **largest lighting specialist** in Europe

**Customised** quotation

Up to **7 years warranty**

**Easy** return process
